Security Information

5 August 1952

To: SR/WC  
From: SR/W 2  
Subject: Contact with CASSOWARY 15 on 29 July 1952

1. It was noticed that CASSOWARY 15 seemed much more at ease and more amiable than he has been in past contacts. Probably the fact that CASSOWARY 2 was given free movement and is in Europe, as well as the fact, that such excellent relations were established at the last two meetings with CASSOWARY 2 prior to his departure to Europe, were conducive to the extreme friendliness of CASSOWARY 15.

2. The main topic brought forth by CASSOWARY 15 was the request that he be allowed to visit the P/A school. He stated that CASSOWARY 4, who arrived in the U. S. on 30 August 1952, will also want to visit the students. This has been anticipated for some time and preparations have been made for such a visit by CASSOWARY 15 and CASSOWARY 4. It is intended to have them visit the area about 7 August 1952. This contemplated visit has been coordinated with the proper individuals.
